

Joint Information Center - JIC Release No. 613
March 25, 2021, 5:30 p.m. (ChST)

Results: Five of 396 Test Positive for COVID-19;
COVID-19 Vaccination Clinics for March 26 – 27, March 30 – April 2 for UOG Fieldhouse,
Village-Based, Homebound;
COVID-19 Community Testing on March 26 in Tiyan

Results: Five New Cases of COVID-19

Five (5) new cases of COVID-19 were identified out of **396** tests performed on Wednesday, March 24. **One (1)** case reported recent travel history and was identified in quarantine.

To date, there have been a total of **7,794** officially reported cases of COVID-19 with **134** deaths, **27** cases in active isolation, and **7,633** not in active isolation.

TODAY'S CAR SCORE¹ 0.1

¹The COVID Area Risk (CAR) Score accounts for the incidence of new cases, how well current testing identifies these cases, and the rate of spread. The ideal long-term goal is to sustain a CAR Score of 2.5 or less, which has been shown to correlate with very low to zero COVID-related hospitalizations and deaths.

The following tables provide COVID-19 test results reported to the JIC on Thursday, March 25, and reflects results Wednesday, March 24:

[^]As of March 24, 2021. Total doses administered and allotted doses differ as vaccinators were able to draw additional doses per vial. Additionally, the [U.S. Food and Drug Administration's February 25, 2021 revision](#) of their Fact Sheet relative to the Pfizer-BioNTech Emergency Use Authorization now states, "After dilution, one vial contains six doses of 0.3 mL. Vial labels and cartons may state that after dilution, a vial contains five doses of 0.3 mL. The information in this [Fact Sheet](#) regarding the number of doses per vial after dilution supersedes the number of doses stated on vial labels and cartons." | ^{^^}Reflects the previous allocation total of 86,560 and last received an allocation of 1,300 Johnson & Johnson Janssen vaccines on March 8, 2021.

COVID-19 Vaccination Clinics for March 26-27 & March 30-April 2 at UOG

COVID-19 vaccination clinics continue through Saturday, March 27, from 11 a.m. to 5:30 p.m. and Tuesday, March 30 to April 2, 2021 from 12 p.m. to 5:30 p.m. at the UOG Fieldhouse. These clinics will administer first doses of the Pfizer-BioNTech vaccine and second doses of both the Moderna and Pfizer-BioNTech vaccine. The Johnson & Johnson vaccine is not available at the UOG vaccination clinic at this time. Eligible residents are advised to schedule an appointment online via Eventbrite at tinyurl.com/vaccinateguMar30-Apr2.

Eligibility is open to residents 16 years and older. Minors must be accompanied by a parent or legal guardian and provide government-issued identification to validate age. The parent or legal guardian will also be required to sign a consent form on behalf of the minor to receive the vaccine.

If scheduling an appointment is not possible, walk-ins will be accepted at a limited rate of 15 per hour. Walk-ins wishing to avoid longer wait times are discouraged from lining up prior to the 10 a.m. opening and are asked to expect reasonable delays.

Upon arrival, individuals 60 years and older will be sent to the front of the line. Please bring a digital or hard copy appointment confirmation, a photo ID, and proof of Guam residency (Guam Driver's License, Guam ID, Green Card, US, FSM, Palau, or RMI Passport). Those due for their second dose are reminded to bring their COVID-19 immunization card. This ensures quicker processing and proper documentation.

According to the [U.S. Centers for Disease Control and Prevention \(CDC\)](https://www.cdc.gov), those due for their second dose of the vaccine may get their second dose up to four (4) days early or 42 days after. The CDC further states that if it is not feasible to adhere to the recommended interval and a delay in vaccination is unavoidable, the second dose of Pfizer-BioNTech and Moderna COVID-19 vaccines may be administered up to 6 weeks (42 days) after the first dose.

COVID-19 Community Testing on March 26 in Tiyan

The Department of Public Health and Social Services (DPHSS), in collaboration with the Mayors' Council of Guam, Guam Department of Education, Guam Police Department, Guam Fire Department, and other GovGuam and federal agencies, continues COVID-19 community testing on Friday, March 26, at the Old Carnival Grounds in Tiyan, Barrigada, from 9 a.m. to 12 p.m. DPHSS will offer up to 150 COVID-19 tests on a first-come, first-served basis.

COVID-19 testing for travel purposes will not be conducted at this community testing site. Individuals seeking COVID-19 testing to travel off-island may contact the DPHSS Northern Region Community Health Center at 635-7525/6 to schedule an appointment for testing.

Residents are reminded that this event is only a COVID-19 community testing. NO VACCINATIONS will be offered at this location. For the safety of the community and the nurses, only four (4) people per vehicle are allowed to be tested. No symptoms are needed to qualify for testing. Please bring a picture ID.
